Why would you like to serve on the Board of Directors?

I feel that being part of this Board will allow me to give back and make a difference in our wonderful community. Participation opens the door to meeting people from various backgrounds, exchanging ideas, and having conversations about topics that benefit our community. Being a career Compliance Officer, my love of identifying issues and problem solving are traits that strength the voice needed to be a Member of the Board of Directors in order to speak for all residents.

Issues you feel need to be addressed by the Board of Directors in your community:

Communication is key in any relationship. I want to hear from the residents. Not just the homeowners who have a vote, but also the renters in our community. What do you see and feel that needs to be addressed. What ideas for improvements do you have for Wade Settlement. Examples of implementing resident ideas have been installing dog waste stations and improved landscaping management.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

No.

Candidacy Statement

Why would you like to serve on the Board of Directors?

I am a native Texan who has grown up in north Dallas area and I love my new home in Wade Settlement. My husband and I have been longstanding homeowners at 10+ years in both of our prior homes, and we take great pride in the communities we live in. My pride is bolstered by volunteering in local charities and working to help make sure all residents of the community enjoy their surroundings for both them and their families. I wish to be a voice for the residents of Wade Settlement so that I can help champion community standards that foster a vibrant and thriving community for the many years to come.

Please list previous board position and/ or experience:

I am the former Chairman of the Board of Governors for Stonebridge Ranch Country Club (2018-2020). I currently serve on the membership committee at Stonebriar Country Club, the Charity Classic Committee, and a Board Member of the Stonebriar Country Clubs Women's Golf Association. Besides being actively involved at Stonebriar Country Club, I am an Ambassador for DIFFA Dallas Charity as well as a committee member for Smiles Charity. I feel all these current positions increase my understanding of the functions and goals of serving on a Board.

Issues you feel need to be addressed by the Board of Directors in your community:

Our community is beautiful. With our community being so new, there are several items I feel need to be addressed immediately to help maintain the beauty and integrity of our neighborhood. A few issues are inconsistent landscaping, parking challenges, HOA communication, and ongoing construction disruptions to current residents.
